Taken With Cramps.
Wm. Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told him he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicine. Elkader, Iowa, Argus. This remedy never fails. Keep it in your home, it may save life. For sale by Stone & Mercer.

ABSOLUTELY PURE WATER

Is the Francis Mineral Water and Guarantee Goes With It—Positively Protected From All Germs, Filth and Surface Water.

The Francis mineral water is highly recommended by leading physicians for its medicinal qualities as well as its purity, and there is no other water on the market so appropriate to drink during the summer months, when diseases are more or less prevalent. There is considerable typhoid fever in Clarksville now, and it is dangerous to drink water from wells that are not protected from germs, filth and surface water. Francis Brothers have taken great care with their three mineral wells and have them perfectly cased, so that it is absolutely impossible for germs to get in the water. Cleanliness is observed strictly as an inspection of the surroundings of the wells show. There is nothing around or near them that would lead to the slightest suspicion that the water is not absolutely pure, like there is about other wells, mineral or not. They guarantee their wells to be the best protected from germs of any well in the country and with every bottle there is a positive guarantee that there are no germs in the water. All should be interested in protecting their health and taking precautions against contagious diseases. They can feel assured of this by using Francis mineral water with which there is a guarantee that it is not only absolutely pure but the purest water on the markets, all attempts to the contrary notwithstanding to make it appear that other waters are just as pure. They invite and earnestly court an inspection of their wells, an analysis of the water, and a comparison with other mineral wells, knowing that theirs are the best in the country. a28-tf

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. KILLS GERMS OF CATARRH.

Hyomei Goes to the Root of the Disease and Makes Astonishing Cures.

Catarrh cannot be cured by the use of pills, liquid medicines and so-called system tonics. Under such treatment the germs of the disease will still live in the air passages and increase and multiply.

Hyomei is the only scientific and thorough way to cure catarrh. Killing the germs in the air passages, it destroys the microbes in the blood and effectually drives from the system all traces of catarrhal poison.

Probably the strongest evidence that can be offered as to the power of Hyomei to cure catarrh is the fact that Sturm & Co. will agree to refund the money if you say Hyomei has not cured you.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents.
